

TEMPLE BETH EMETH of SCOTTSDALE

April 2019

PRESIDENT'S MESSAGE

During this month, we will be saying good bye to several of our snow bird members. We wish them well over the summer and look forward to their return in the fall. The rest of us will happy living in one of the best places in America.

On March 16, we celebrated our 36th anniversary of Temple Beth Emeth. Also known as double Chai. We remembered the past presidents and the good times of some of our members. Now on to our 50th anniversary.

Due to fact many members will not be available to help in the kitchen, there will be no Onegs during the month of May. They return in full force in June. Also because of limited topics and the president and vice president not available, there will be no board of directors meeting held in June.

Our study group will be meeting April 27. Everyone is invited.

See you Saturday morning.

The supermarket scrip program has been, and continues to be, a resounding success. Cards are available for both Bashas' (may be used at AJ's and Food City) and Sprouts.

These cards are \$25 each. Bashas' cards may be reloaded - and we receive credit for these reloads. Fry's Loyalty card needs to be registered and Temple Beth Emeth has to be chosen in the Community Rewards section. It is easy to tell - at the very bottom of each Fry's receipt you will see "At your request, Fry's will donate to Temple Beth Emeth".

In addition to the above mentioned cards, an order is placed each month for cards from MANY restaurants, retail stores, etc. The completed order form is to be turned in by the last Saturday of each month - accompanied by your check for the total amount.

These cards are available the following Saturday. The synagogue receives an amount which varies from 2% all the way to 12% of the face value of the card. Please think about the regular purchases you make. Cards are available for many types of businesses - department stores, restaurants, gasoline stations, discount stores, etc.

Please ask Kayla to check and see if a gift card is available for your favorite company.

MEDICAL ADVICE FORWARDED BY STEVIE SACKS

A very important warning for those who wake up at night to go to the bathroom...

You must be careful with the " One-and-a-Half-minute law " that is scientifically proven " by waking up suddenly " to make your physiological needs normally, you hear that someone " was well in health and died suddenly during the night without Reason ". the most likely reason is that when that person woke up to go to the bathroom, they got up from bed in a hurry, right now, **the brain needs greater blood flow, for having rested, causing a state of fainting there The stroke happens...**

In this case, it is recommended to learn the " One-and-a-Half-minute law " that can " save When you wake up to go to the bathroom, you must first: " lie down for 30 seconds after waking up " and then " sit in bed for 30 more seconds ", lower your legs quietly and " sit on the End of bed for another 30 seconds " and only then get up to go to the bathroom.

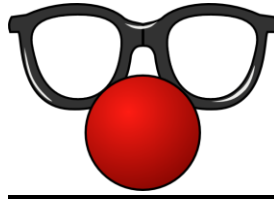

With these steps the chances are gigantic to survive a sudden stroke, regardless of age...

JOKES

Pesach Jokes

Q: Why do we have an Haggadah at Passover? A: So we can Seder right words.

Q: What do you call someone who derives pleasure from the bread of affliction? A: A matzochist.

Q. What kind of cheese can you eat on Pesach? A. Matza-rella

Q. Who was the best business woman in the bible? A. Pharaoh's daughter, she pulled a profit out of the water.

It seems a group of leading medical people have published data that indicates that Seder participants should NOT partake of both chopped liver and charoses. It is indicated that this combination can lead to Charoses of the Liver.

Top 10 Reasons to Celebrate Passover

1. Save money by using last year's Matzah (it won't taste any different and you haven't thought of eating it since then)
2. You can put your elbows on the table
3. Maror is a better remedy for sinuses than any prescription medication.
4. Four cups of wine (and if Elijah doesn't show up, there's a 5th!!)
5. The extra cash from selling your Chometz will come in handy.
6. The required cleaning of the refrigerator gives you a reason to throw out that old milk container.
7. You actually eat the parsley.
8. A good reason to use your wooden spoon, candle, and feather collection.
9. Think of all the toilet paper you save by eating Matzah for a week.
10. To remember that it was actually Charlton Heston who led us out of Egypt.
