

TEMPLE BETH EMETH of SCOTTSDALE

June 2019

JUNE'S MESSAGE

It is with great sadness that I announce the passing of our beloved Temple member FRAN GOLUB this past Sunday. She was cremated and interred with her husband in the Veterans Cemetery. The family will have celebrations in LA and North Carolina and in December a Memorial luncheon at the Temple. Fran was a fixture of Temple Beth Emeth for many years and she will be very much missed by the Congregation.

The Temple continues its Sabbath service in the capable hands of both Cantor Tabaknek and Bernie Weingarten. We especially owe Bernie much thanks during the Cantor's absences for health reasons; he is a true inspiration for the entire Congregation.

There will be no monthly Board meeting in June and due to Joan Abrahamson's and Betty's absence plus our travel plans during the months of June and July there may be no scheduled Onegs for the month of June as well.

It is important that we all act in concert during these trying times.

The supermarket scrip program has been, and continues to be, a resounding success. Cards are available for both Bashas' (may be used at AJ's and Food City) and Sprouts. These cards are \$25 each. Bashas' cards may be reloaded - and we receive credit for these reloads. Fry's Loyalty card needs to be registered and Temple Beth Emeth has to be chosen in the Community Rewards section. It is easy to tell - at the very bottom of each Fry's receipt you will see "At your request, Fry's will donate to Temple Beth Emeth".

In addition to the above mentioned cards, an order is placed each month for cards from MANY restaurants, retail stores, etc. The completed order form is to be turned in by the last Saturday of each month - accompanied by your check for the total amount.

These cards are available the following Saturday. The synagogue receives an amount which varies from 2% all the way to 12% of the face value of the card. Please think about the regular purchases you make. Cards are available for many types of businesses - department stores, restaurants, gasoline stations, discount stores, etc.

Please ask Kayla to check and see if a gift card is available for your favorite company.

JOKES

A blonde and a lawyer are seated next to each other on a flight from LA to NY. The lawyer asks if she would like to play a fun game? The blonde, tired, just wants to take a nap. Politely she declines and rolls over to the window to catch a few winks. The lawyer persists and explains that the game is easy and a lot of fun. He explains, "I ask you a question, and if you don't know the answer, you pay me \$5.00, and vice versa." Again, she declines and tries to get some sleep. The lawyer, now agitated, says, "Okay, if you don't know the answer you pay me \$5.00, and if I don't know the answer, I will pay you \$500.00." This catches the blonde's attention and, figuring there will be no end to this torment unless she plays, agrees to the game.

The lawyer asks the first question. "What's the distance from the earth to the moon?" The blonde doesn't say a word, reaches into her purse, pulls out a \$5.00 bill and hands it to the lawyer.

"Okay," says the lawyer, "your turn." She asks the lawyer, "What goes up a hill with three legs and comes down with four legs?"

The lawyer, puzzled, takes out his laptop computer and searches all his references. No answer. Frustrated, he sends e-mails to all his friends and coworkers, to no avail. After an hour, he wakes the blonde and hands her \$500.00.

The blonde says, "Thank you," puts her head on the pillow and goes back to sleep.

The lawyer, who is more than a little miffed, wakes the blonde and asks, "Well, what's the answer?"

Without a word, the blonde reaches into her purse, hands the lawyer \$5.00, and goes back to sleep.

A fifteen year old Amish boy and his father were in a mall. They were amazed by almost everything they saw, but especially by two shiny, silver walls that could move apart and then slide back together again.

The boy asked, "What is this Father?"

The father (never having seen an elevator) responded, "Son, I have never seen anything like this in my life, I don't know what it is."

While the boy and his father were watching with amazement, a fat old lady in a wheel chair moved up to the moving walls and pressed a button. The walls opened, and the lady rolled between them into a small room.

The walls closed, and the boy and his father watched the small numbers above the walls light up sequentially. They continued to watch until it reached the last number, and then the numbers began to light in the reverse order.

Finally the walls opened up again and a gorgeous 24-year-old blond stepped out.

The father, not taking his eyes off the young woman, said quietly to his son.....

"Go get your Mother."

A man has his car full of penguins. He drives past a policeman, but the policeman stops him.

He says. "Hey, you! Yeah, you! You should take those penguins to the zoo!"

The man does that.

The next day in the same spot, the man still has the penguins. Once again he drives past the policeman.

"Hey, I thought I told you to take those penguins to the zoo!"

"I did," replies the man. "We had so much fun that were going to the beach today!"
