

TEMPLE BETH EMETH of SCOTTSDALE FEBRUARY 2023

FEBRUARY PRESIDENT'S MESSAGE

Over the past few years numerous and varied attempts have been made to increase membership and participation but all have been to no avail.

Normally now on a Shabbat, we are getting six or seven people to our service. When the snowbirds go back North for the summer, that number will probably drop down to three or four.

The board discussed what we should do and there are very few options. One congregation was mentioned for a merger, and I followed up.

I have been in contact with Diana Nashban of Shomrei Torah synagogue. Diana is known to several of our members as she was once a member of the congregation. Shomrei Torah currently conduct their services out of the JCC on Scottsdale Road.

Today, Monday January 30th, I invited her to come and have a look at our sanctuary, kitchen, and building. She will report back to her board and get back to me as to if they might be interested in moving into our space.

If we don't have another congregation move into our space, then we should probably cease to function.

I am writing to you because we are open to all suggestions. If we do not find someone who wants to move into our space, we would have to deal with the contents of the Shul.

At this point in time no decision has yet been made, and we need your feedback. Please let us know what you think and give me any suggestions. We look forward to hearing from you.

On a personal note, Harold Sacks has had some health issues and is fortunately making a good recovery. Misheberachs for our members and friends.

But sadly, our past President Ira Goldenberg has passed away and will be buried in New York City.

Sincerely, Clyde Hurtig President
