

TEMPLE BETH EMETH of SCOTTSDALE  
JUNE 2023

**JUNE PRESIDENT'S MESSAGE**

Preparations for the renovations of the sanctuary have begun. I was told that the sink in the kitchen has been removed and that the refrigerator is blocked off. So it sounds like schnapps and fresh Challah are the order of the day for the time being.

The congregation wishes Jack Heims a hearty and warm Yasher Koach! Jack graduated from high school recently and will be attending the University of Colorado Boulder where he will be pursuing a degree in business. I'm sure that his mother Amy is very pleased! Thank you for helping at services over the past few years. We will miss you.

We wish Daniel and his family a pleasant summer in Europe and look forward to your return.

We discussed our annual dues for this year. We have decided that we will not be charging dues for 2023-2024. However, if you would like to make a donation they are always appreciated!

I hope you have a pleasant summer. I wish good health to all the members of our congregation. May you all become stronger through the summer. Karen and I are looking forward to seeing you in the fall.

**Clyde Hurtig      President**

**OFFICERS FOR 2020-2023**

Vice President Harvey Roberts

Treasurer Karen Farkas

Recording Secretary Harold Sacks

Corresponding Secretary OPEN

**MEMBERS OF THE BOARD**

Joan Abrahamson

Sandy Stein

Harriet Williams

## June Puns from Clyde

I once dated a guy who broke up with me because I only have 9 toes. Yes, he was lack toes intolerant.

I've started telling everyone about the benefits of eating dried grapes. It's all about raisin awareness.

I've started investing in stocks: beef, vegetable, chicken. One day I hope to be a bouillianaire.

If you boil a funny bone, it becomes a laughing stock. Now that's humerus.

I accidentally rubbed ketchup in my eyes. Now I have Heinzsight.

Scientifically, a raven has 17 primary wing feathers, the big ones at the end of the wing. They are called pinion feathers. A crow has 16. So, the difference between a raven and a crow is only a matter of a pinion.

I was walking in the jungle and saw a lizard on his hind legs telling jokes. I turned to a local tribal leader and said, "That lizard is really funny!" The leader replied, "That's not a lizard. He's a stand-up chameleon.

I tried to come up with a carpentry pun that woodwork. I thought I nailed it but nobody saw it.

Singing in the shower is fine until you get soap in your mouth. Then it's a soap opera.

The Black-Eyed Peas can sing us a song but the chick peas can only hummus one.

Then there was the time Fruit of the Loom took Hanes to court... it was a brief case.

How much does a chimney cost? Nothing, it's on the house.

Once upon a time there was a King who was only 12 inches tall. He was a terrible King but he made a great ruler.

Ran out of toilet paper and now using lettuce leaves. Today was just the tip of the iceberg, and tomorrow romaines to be seen.

My friend Jack says he can communicate with vegetables. That's right...Jack and the beans talk.

I was struggling to understand how lightning works and then it struck me.

Six cows were smoking joints and playing poker. That's right. The steaks were pretty high.

I went to the paint store to get thinner. It didn't work.
