

TEMPLE BETH EMETH of SCOTTSDALE MAY 2023

MAY PRESIDENT'S MESSAGE

Our next holiday, Shavuot, which begins 50 days after the second Passover Seder will occur May 25 - 27. Also known as the feast of Weeks, it is a celebration of first fruits and also commemorates the giving of the Torah to Moses on Mount Sinai.

We are supposed to eat cheesecake, so don't indulge too much! We don't want anyone ending up at the cardiologists office! I wonder who started this tradition?? I think I'm going to have to double up on my statins!

Our landlord is planning to make changes to our temple. There is a school being developed in our building and we both think it's best that we become separated from them.

We will have our own separate entrance created directly to the outdoors. We will also have an access to our own kitchen (which will be approximately 1/2 of the current kitchen). They will also be building us a handicap restroom of our own.

Our landlord indicated he wanted to begin construction soon, however we still do not have any timeline from him.

I believe the renovations will make our space more self-contained and we will no longer need to be concerned about people disturbing our fridge or belongings in the kitchen.

We will update further when we know more details. Karen and I hope you have a good and healthy spring and enjoy your cheesecake!
Clyde Hurtig President

OFFICERS FOR 2020-2023

Vice President Harvey Roberts
Recording Secretary Harold Sacks

Treasurer Karen Farkas

May Humor

What do kids play when their mom is using the phone? Bored games.

What's the smartest insect? A spelling bee!

How does the ocean say hi? It waves!

What do you call a couple of chimpanzees sharing an Amazon account? PRIME-mates.

Why did the teddy bear say no to dessert? Because she was stuffed.

Why did the soccer player take so long to eat dinner? Because he thought he couldn't use his hands.

Name the kind of tree you can hold in your hand? A palm tree!

How do billboards talk? Sign language.

What has ears but cannot hear? A cornfield.

What did the left eye say to the right eye? Between us, something smells!

Why do birds fly south in the winter? It's faster than walking!

Why did the student eat his homework? Because the teacher told him it was a piece of cake.

Which superhero hits home runs? Batman!

Why is a football stadium always cold? It has lots of fans!

What did one math book say to the other? "I've got so many problems."

A plane crashed in the jungle and every single person died. Who survived? Married couples.

Why can't you ever tell a joke around glass? It could crack up.

How do you stop an astronaut's baby from crying? You rocket.

Why did the scarecrow win a Nobel prize? Because she was outstanding in her field.

What goes up and down but doesn't move? The staircase.

What kind of shoes do frogs love? Open-toad!

How did the baby tell his mom he had a wet diaper? He sent her a pee-mail.

What is a witch's favorite subject in school? Spelling.

How did Benjamin Franklin feel holding his kite when he discovered electricity? Shocked!

How much did the man sell his dead batteries for? Nothing, they were free of charge!

Why did the Daddy Rabbit go to the barber? He had a lot of little hares.

Why can't you ever trust atoms? Because they make up everything.
