

TEMPLE BETH EMETH of SCOTTSDALE AUGUST 2023

AUGUST PRESIDENT'S MESSAGE

We have just finished commemorating Tisha B'Av, One of the saddest days in the Jewish calendar. Both the first and second temples in Jerusalem were destroyed on this date.

Now we move forward to a happier set of holidays, Rosh Hashanah and Yom Kippur. The high holidays will occur in mid-September this year. We are looking forward to having all members attending this year! Once again, we have our leader Daniel Stein Kokin, and from Los Angeles Rabbi David Stein. They will be leading our services. Karen and I found it the most meaningful service last year! We are intending on traveling to Arizona again for the holidays and hope to see everyone in Shul.

The renovations to the sanctuary are still ongoing. The landlord is making compulsory changes to the building. We will have a new entrance way directly from the parking lot. Also, the kitchen will now be strictly ours, and we will also have a handicap access restroom. The renovations were originally supposed to have been completed in June, however the landlord was forced to put in a sprinkler system. This is currently under construction and the completion date will hopefully be by the end of August.

We had hoped to have a special service to salute JACK HEIMS and send him off to Colorado with a nice Kiddush. At this point in time, we don't think the renovations will be completed in time and we will have to postpone our thank you to a future date. We wish Jack all the best and believe that he will score very high marks in all his classes.

I hope everyone can find a nice cool place to pass the summer heat and we look forward to seeing everyone once again in the fall.

Summer Humor

What kind of tree fits in your hand? A palm tree!

What did the little corn say to the mama corn? Where is pop-corn?

How do we know that the ocean is friendly? It waves!

How do you prevent a summer cold? Catch it in winter.

What do snowmen do in summer? Chillout

Where do sheep go on vacation? The Baahamas

Why don't oysters share their pearls? Because they're shellfish!

What do you call a Labrador at the beach in August? A hot dog

When do you go at red and stop at green? When you're eating a watermelon

What does the sun drink out of? Sunglasses

Where do sharks go on vacation? Finland

What did the reporter say to the ice cream? What's the scoop?

What did the beach say to the tide when it came in? Long time, no sea.

What is the difference between a piano and a fish?

You can tune a piano, but you can't tuna fish.

Why did the shark befriend the dolphin? Because it wanted more porpoise in its life

Why didn't the sun go to college? Because it has a million degrees.

Why do fish swim in saltwater? Because pepper makes them sneeze!

Why did the tomato turn red? Because it saw the salad dressing!

Why did the golfer wear two pairs of pants? In case he got a hole in one!

Why did the cookie go to the doctor? Because it felt crummy!

Why did the banana go to the doctor? Because it wasn't peeling well!

Why did the sun go to school? To get brighter!

Why did the chicken cross the playground? To get to the other slide!

Why did the bike fall over? It was two-tired!

Why did the grape stop in the middle of the road? Because it ran out of juice!

Why don't scientists trust atoms? Because they make up everything!

Why did the scarecrow win an award? He was outstanding in his field!

Why do we tell actors to "break a leg"? Because every play has a cast!

What did the grape say when it got stepped on? Nothing, it just let out a little wine!

Why was the math book sad? It had too many problems!

What do you call a belt made out of watches? A waist of time!

Why did the monkey like the banana? Because it had ap-peal!

Why don't ants get sick? They have tiny ant-i-bodies!
